Subject: Interview of James Sullivan (DOB: (c)) at (f)
Re: John O'Keefe Motor Vehicle Homicide.

Case: 2022-112-033

1. On May 18, 2022 at approximately 2:30PM, Tpr. Christopher Moore and I met with James Sullivan at (f) Throughout the investigation into the death of John O'Keefe detectives retrieved security video from CF McCarthy's bar in Canton. I viewed the video and observed John and Karen Read inside the bar for several hours. While at CF McCarthy's, I observed John and Karen have a conversation with James Sullivan. As patrons began leaving CF McCarthy's the three stood by the bar consumed drinks and conversed for approximately one hour.

2. James met John O'Keefe through sports, (c) and his son play baseball and basketball together. James knew John for approximately one year and the first time he met Karen was Friday January 28, 2022 at CF McCarthy's bar. James stated he arrived at CF McCarthy's at approximately 8:30pm and left around 10:30pm. James was there with a couple of his friends, Tim O'Brien and Mike Welch. James stated while at CF McCarthy's he encountered Mike Camerano and Curt Roberts. While engaged in conversation with John and Karen, James stated the two looked happy and Karen appeared to be in a good mood. James described Karen as being "Toasted" and she was consuming mixed drinks. James did not observe any injuries to John while at CF McCarthy's and did not observe anyone arguing with one another. James stated John was consuming beer and Karen a clear liquid mixed cocktail. James described the conversation with Karen and John as nothing out of the ordinary and the topic was just random stuff. James stated he left before Karen and John and had no knowledge they were going to the Waterfall bar across the street. Prior to James leaving, video showed he purchased a round of shots at approximately 22:29pm (Time Stamp on Video). John, James and a male wearing a black shirt consumed theirs and Karen poured hers into the drink she was consuming.

Respectfully submitted,

TPR.
